

Clare Co. Council

Clonbony,
Miltown-Mallay
Co. Clare,
29/9/2016

Dear Sir / Madam, I wish to make a Submission on
the Regulation of Lobbying Act 2015.

The overriding Objective of
Public Accountability and Transparency in
the Administration of the Act is Commendable.
However its Implementation and Guidance
to Elected Councillors needs Improvement.
In the Specific Situation of Clare County Council
a Request to the Governing Body for
a Council Workshop to Engage with its
28 members did Not Receive an
Adequate Response. Its Value would be
immeasurable and the experience
Gained from same can be repeated
as appropriate throughout the Country.
Further I would Recommend that an On-going
Campaign of Direct Information on its
operation to Elected Public Representatives
would be undertaken. Finally I would
urge that the Right to legitimate
Representation by Public Representatives
must be safe guarded & Protected in the
Interest of Good Practise in Public Administration.

Thanking you in anticipation of your Reply
